

Virginia PHA Survey

Virginia PHA Survey

The purpose of this survey is to help inform the development of a Virginia rental subsidy program as part of the HB 854 Statewide Housing Study ([read more here](#)). HB 854 explicitly states that "the advisory group shall consider... a Virginia rent subsidy program to work in conjunction with the federal Housing Choice Voucher Program..."

In order to make informed policy recommendations for such a program in the Commonwealth, the advisory group wants to better understand the current state of Housing Choice Vouchers in Virginia. Please take the time to answer the following questions about your administration of federal Housing Choice Vouchers in your service area. A single individual from your organization with the most up-to-date information should respond to this survey.

This survey should take approximately 10 minutes. If you have any additional questions or concerns, please contact: Eric Mai at eric@housingforwardva.org
